

A Message From The District Commissioner

A Message from the District Commissioner

What a great summer it's been! With Cub Day Camps, Webelos Woods, Boy Scout Summer Camp, the High Adventure Base in Riggins, all the other Scouting Summer programs put on by your individual units, it's been hard to catch our breath

Now, as we begin our new Scouting year, we are doing some new things in Unit and Roundtable Commissioner service to better meet the needs of our youth leaders. Let me mention a couple of the exciting new opportunities.

Welcome Heidi Kasper, our new Administrative Assistant District Commissioner –Heidi will be keeping our commissioner roster up-to-date and improving our communications with each of you. Please help her by letting her know of any changes in your

Commissioner Corner Newsletter

This is the first issue of our Commissioner Corner Newsletter. The purpose is to keep each of us informed as to what's coming up so we can better serve our units. This newsletter will be sent via email to those of you who have email service and by mail to those who don't. It will be sent a week before Round-Table each month so you're ahead of the game at each Round-Table meeting.

New Eleven-Year-Old Scout Leader RoundTable for LDS units – Based on needs requested by our commissioners and unit leaders regarding the 11-year-old patrol in LDS units, we are creating this breakout session of the Scouting RoundTable class. 11-year-old LDS Leaders

will attend the Scouting session of RoundTable, then, during skills development, will break out for their own session for training and sharing.

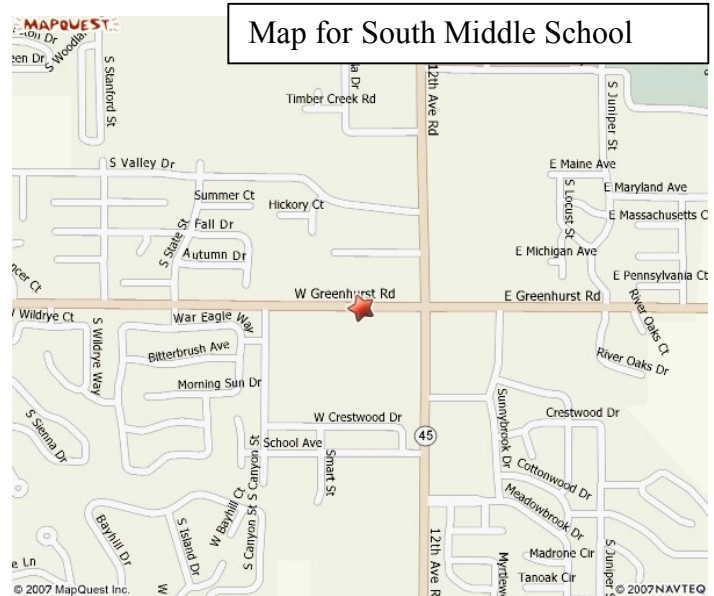

of every opportunity to grow and better help each other prepare this precious generation to lead the world they will soon inherit.

Kevin Nelson

District Commissioner
